The PAX Family For Retail

A collection of all our product and
information brochures.

March 2024

The PAX A920 is an impressively designed payment terminal, combining the features of an Android tablet with a powerful payment terminal.

It accepts a variety of payment methods, including contactless, QR code scan, mobile and wallet payments, Chip & PIN and Magstripe. With Wi-Fi or 3G connectivity, the A920 can operate with your own Wi-Fi network or in mobile environments.

This is a premium all-in-one payment acceptance solution to meet the daily demands of dynamic Retail or Hospitality environments.

Features

- A standalone device
- 5-inch HD touchscreen
- Rechargeable battery for continuous use
- Dual cameras for recognition of 1D/2D codes Fast thermal printer
- Powered by Android OS
- Multiple connectivity options
- Supports electronic signature capture
- Fast thermal printer

Easy to Set Up:

The PAYA Group Team will make sure your device is set up and ready to use straight out of the box, saving you time and ensuring you're ready to collect card payments right away. All you need to do is connect to Wi-Fi or 4G connection.

The A920 Pro incorporates all the features that make the A920 so successful, such as its sleek and ergonomic design, integrated camera, high-speed thermal printer, and high-capacity battery.

The performance and feature upgrades coupled with the best loved features from its original predecessor deliver an exciting and fresh payment experience across all dynamic environments where mobility and speed matter.

With Wi-Fi and 4G connectivity options the Pro can operate with your own Wi-Fi network or in mobile environments.

Features

- 5.5-inch HD touch-screen
- Email/SMS receipt options
- Wi-Fi/4G SIM connection
- A standalone device
- Rechargeable battery for continuous use
- Stores transactions offline when needed
- Powered by Android OS
- Supports electronic signature capture
- Fast thermal printer

As compact as a smart phone. Secure payment acceptance and professional barcode scanner in a single device.

Ergonomically designed - Compact, stylish and can be always carried with you. Weighing as little as 240g and only 17mm thick.

Dual Cameras - Stunning picture quality, even in the darkest of settings. Instant scanning of 1D/2D codes. 2MP front camera and 5MP rear camera or upgrade for 5MP front camera and 13MP rear camera.

The A77 has a stunning 5.5-inch colour touchscreen, a powerful processor, and a long-lasting battery life. Designed to reduce environmental footprint as well as stationery costs, the A77 does not come with an inbuilt printer, but can be paired up to one via Bluetooth connectivity. If customers need a receipt, it can be delivered by SMS or email.

Features

- Android 8.1 OS
- 4G + Wi-Fi + Bluetooth
- Contactless + Chip & PIN + Magstripe
- 5.5-inch color touchscreen
- 3.8V/5250mAh rechargeable battery
- Dual Cameras - 2MP front & 5MP rear camera
- Optional professional scanner
- USB type-C charging port
- PCI PTS 5.x. SRED
- Weight - 240g + 17mm thick

The A50 is our slimmest mobile payment solution at only 12mm thick, comfortably fitting in your pocket and perfect for those who need to take payments on the move.

Weighing just 163g, the A50 is designed to deliver all the advantages of Android and payment security in a robust, lightweight, and sophisticated design.

All the technology you need in a portable device. Get paid on delivery or provision of a service with PAX A50, the simple and compact payment device.

The A50 accepts all major payment methods and connects via Wi-Fi and 4G.

Designed to reduce environmental footprint as well as stationery costs, the A50 can deliver receipts by SMS or email, or optionally can be paired up via Bluetooth to an existing printer.

Features

- Android 8.1 OS
- Cortex-A53, 1,4GHZ
- 3.8V, 2500 mAh battery
- 4.5-inch IPS colour display
- 4G + Wi-Fi + Bluetooth 4.2
- 2MP fixed focus rear camera (optional 5MP)
- Optional front 0.3MP camera
- Inbuilt GPS
- PCI PTS 5.x. SRED

All the devices in our PAX family range (A920 / A920 Pro / A50 / A77 / IM30) include the Payments/axeptGO App

The App allows you to take payments either by Contactless, Chip & PIN or Magstripe, with the exception of the A50 which is contactless or Chip & PIN only.

Depending on how you sign up with us, there's a number of gateways our family of PAX devices can be connected to.

Custom Branded App

A custom branded retail payment app is available on the NMI Gateway

Optomony AceptGo App

Optomony Gateway users are only able to use the default AceptGo App.

PAYA Group Services

- We manage the application for your merchant account.
- We set-up your Merchant Portal and allow you to track your donations.
- We supply the contactless donation boxes.
- We provide UK based on-going support.

Single Provider. Merchant Account. Merchant Portal. UK Support.

PAYA Group provides everything you need in one place, making it easier to set-up and manage your services and avoiding the complexity of multiple suppliers.

In addition to the latest technology, we offer a choice of device types, free set-up and an Merchant Portal to manage your services, transactions, box settings and campaigns in real-time.

100% Online Application

To get started visit our website and apply for a Merchant Account. The application is 100% online and there are no set up fees to pay.

Once we've approved your application, we'll contact you to arrange the delivery of your device(s).

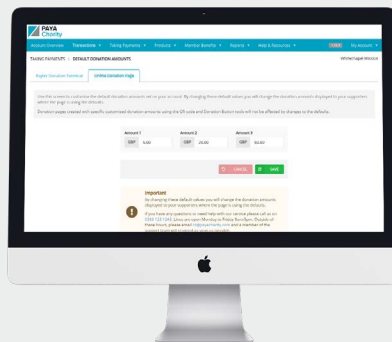

Merchant Portal Features & Benefits

Once you have set up a PAYA Group account, you will be given access to the Merchant Portal. The Merchant Portal allows you to monitor the progress of your device performance.

Your transactions are viewable in graph and table form, giving you a quick visual summary of your transaction worth each month.

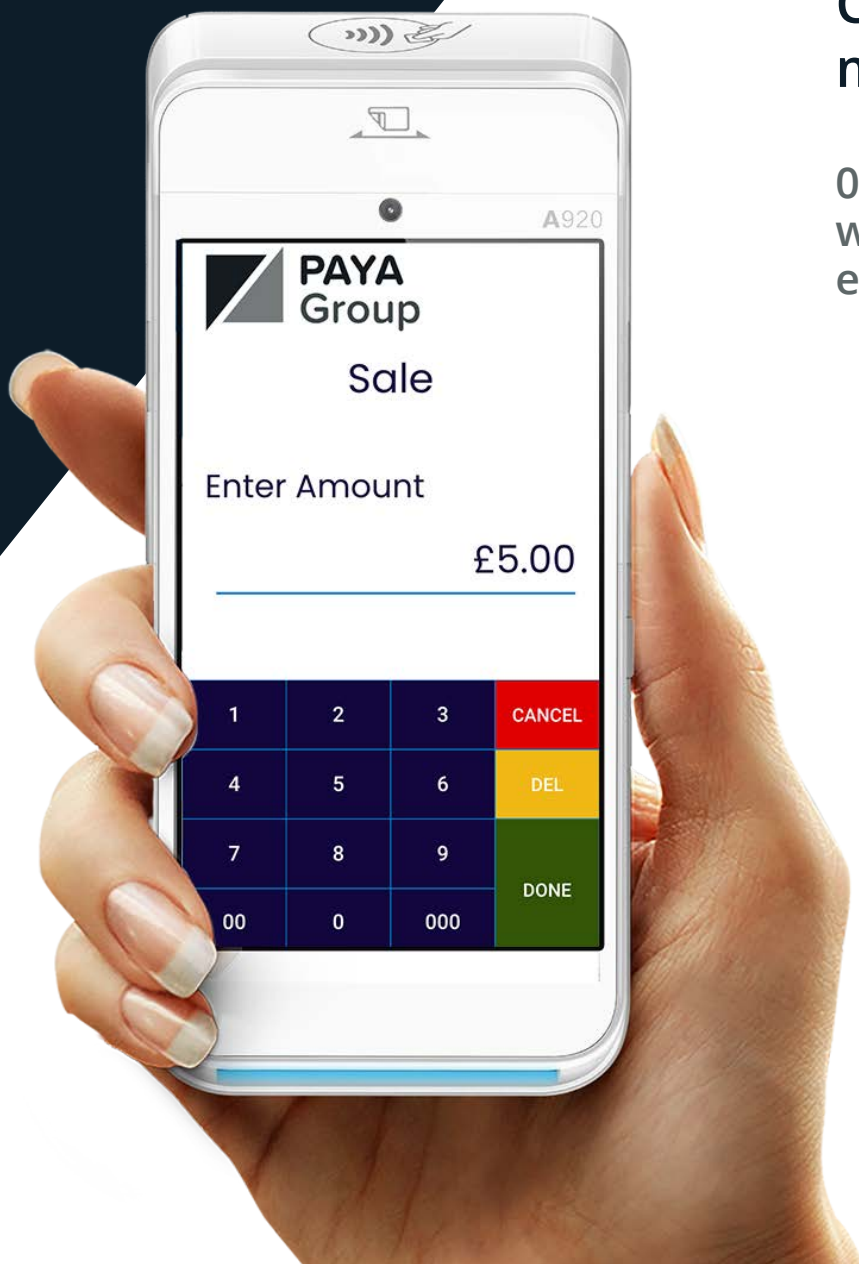

Track the performance of your donation boxes in real-time, adapting your campaign strategy to achieve optimal results.

Manage contactless box settings online. View transactions, order products, reconcile statements and more.

Benefit from higher Volume, Higher Value Donations Today!
