ARTWORK INSTRUCTIONS

1. Place your artwork on the layer named 'DESIGN'.
2. Make sure your registered charity number is written somewhere on the plate (minimum type size – 6pt).
3. Use the template on page 2 for designs with a dark background.
Use the template on page 3 for designs with a light background.
4. Please don't remove the card logos.
5. Please do not remove the LibertyPay logo. The payment service providers logo must remain on the plate.
6. Please do not remove the Tap for Change logo unless absolutely necessary e.g. to make space for the Fundraising Regulator logo.
7. Outline the fonts by selecting all the text boxes and going to Type > Create Outlines.
8. Embed all images by selecting each image and clicking 'Embed' in the top bar.
9. Keep text and logos within the blue margins.
10. Add 3mm bleed on all sides of your artwork.
11. Ensure all colours are CMYK (not Pantone).
