# PAX A920

From just £19.95  
per month

## The PAX A920 is an impressively designed payment terminal, combining the features of an Android tablet with a powerful payment terminal.

It accepts a variety of payment methods, including contactless, QR code scan, mobile and wallet payments, Chip & PIN and Magstripe. With Wifi or 3G connectivity, the A920 can operate with your own WIFI network or in mobile environments. This is a premium all-in-one payment acceptance solution to meet the daily demands of dynamic Retail or Hospitality environments.

### Features

- A standalone mPOS device
- 5-inch HD touch-screen
- Rechargeable battery for continuous use
- Dual cameras for recognition of 1D/2D codes
- Fast thermal printer
- Powered by Android OS
- Multiple connectivity options
- Supports electronic signature capture

### Easy To Set Up

The LibertyPay team will make sure your device is set up and ready to use straight out of the box, saving you time and ensuring you're ready to collect card payments right away. All you need to do is connect to your WIFI or 3G connection.

### Merchant Portal

Monitor your transactions and download the reports you need from the LibertyPay Merchant Portal. Order further devices, till rolls, download user guides, and more!

### Full Support

Our Helpdesk are on hand for any assistance you may need. 0333 123 1243
